- The realized amount will be settled (i.e. credited to or debited from the cash balance) at Trading Close daily
- Rollover rates for each product are clearly detailed on the MetaTrader 4 platform. You may check the debited or credited rollover amount under Account History on the platform (For more details, please refer to our [MT4 user guide](#)). Alternatively, you may check the rollover amount applied to your open positions via the Client Statement which is emailed to you after each trading close
